## **THE MAP OF IMPRESSIONS – aims of the workshops**

**Drawing more attention to the surrounding space and becoming more aware of it**

**Identifying and naming emotions which can be experienced in some particular space**

**Identifying reasons for some specific ways of space perception**

**Developing skills required to choose and to identify corrective solutions**

**Developing participatory attitudes**

**Developing imagination**

**Developing teamwork skills**

## **RELATIONS: PEOPLE - SPACE**

**Thanks to the space where people and objects are located, we can define our identity and we are able to become oriented in the world**

**Human needs such as creating, arranging and taming things take place in that space**

**The space triggers emotions through senses and impressions**

**The structural features of the space evoke some particular esthetic and spiritual impressions**

**Each of us perceives the same space in a different way**

A field research walk

## II. 8th May, the Marshal Office, 1 Augustyńskiego St

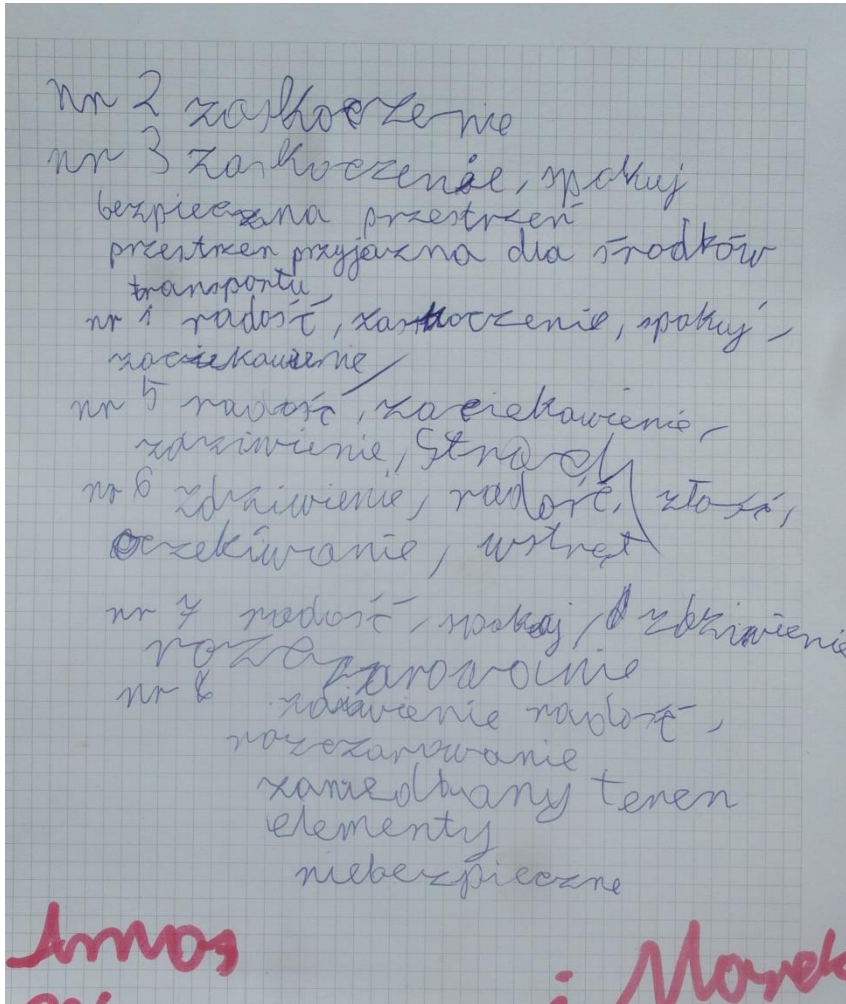

### A field research walk

wieża wzbudza zachwycenie, widok też wzbudza  
zachwycenie, nasadzenie spokojny, przestrzeń  
niebezpieczna dla ludzi: mała droga  
wzbudza zachwycenie, spokój i radość  
bastionem getta dość i strach.  
stare budynki strach i porażenie.  
ulica brukowa, park spokojny i radosny  
Chce żeby wyremontowali fontannę  
stary piwn, piaskownica, ogromne drzewa  
w chodniku
